Where are the scribes on Digital Age?
The truth stand alive, so
Read a New Book made in Heaven
& after final Journey
You'll chose bigger actions

This type family was designed by **Ricardo Esteves Gomes**, inspired by some handwritings from the **Middle Ages** and **Renaissance** period. There are 4 elegant organic font styles (Regular, Bold, *Italic* & *Bold Italic*) that can be very usefull to compose long or short texts in graphic standards that need some '**old style**' feeling.
